STUDENT COUNCIL AND CHEERLEADER

GOD GAVE US MEMORY SO THAT WE MAY HAVE ROSES IN DECEMBER.

PRINCIPAL'S MESSAGE

★ OUR LEADER ★

Putting together a yearbook is not an easy task. It takes a great deal of initiative, enthusiasm and patience on the part of the students and teachers involved. I would like to express my appreciation to Mr. R. Hay, staff advisor, to Sandy Stephenson, editor, and to everyone who worked to launch this project. The yearbook staff has provided us with an exceptional publication. It will preserve our memories of the many friends and events that occurred in 1977-78 and we will treasure these memories in the years to come.

Mr. Earley

Mr. Cox

Wanted by V.P.'s

Mr. Irwin

He who knows noses, knows this nose!

Gee, I just LOVE working on the yearbook!

Editor's Message

Well we did it! ! The "Beal Review" is finished. (I still think we should have named the book the "RAIDER REVIEW" but what can you do when your out voted? ? ?) Thanks to everyone who spent so much time and trouble. I'll never forget (and I know you won't) all the nights we stayed until 10:30 p.m. It was well worth it!

The best part of being the editor is I get the opportunity to say this.....

Congratulations to all those students who will graduate this year. I only hope that you have had successful and happy years here at Beal as I have.

To all my friends, thank you for just being my friends. I wish you all happiness.

During my four years at Beal I was involved in one of Beal's special courses, Television Arts and Broadcasting. This is a course Beal is lucky to have and it's what made my years at Beal so worthwhile. We were a very close class and I wish you all the best in the future and in the job field.

To all those who have not graduated yet....Beal is a school of many things, a lot of people and a lot of happenings. I know you have heard it so many times, but I'm going to say it again because I really believe it. "GET INVOLVED" School is so much more than just four classes a day.

My congratulations to Mr. Prouse, our principal. You are doing a great job for Beal.

Thank you everyone for such happy years. Enjoy the "BEAL REVIEW" and have a great summer!

So long,

Sandy Stephenson

"...the magnificent here and now of life in the flesh is ours,
and ours alone, and ours only for a time. We ought to dance
with rapture that we should be alive and in the flesh, a part
of the living, incarnate cosmos...

...There is nothing of me that is alone and absolute....
I am part of the great whole."

Being as it is the graduating year for four members of council we don't think we could leave office or this school in any more memorable way than by this yearbook. Our congratulations go out to all who worked so hard to make this book such a success.

Beal Art

In the 1977-78 school year, the activities of the Art department have continued to expand in a number of directions. Mr. Herb Ariss, who retired last June, has been succeeded by Mr. Brian Fry.

As well as the core subjects in the Art department, the program has been enhanced by visiting lecturers, field-trips and specialized work-shops. Speakers to visit the department include Greg Curnoe, noted London Artist and former Beal student; Helmut Becker, from U.W.O. who conducted a papermaking workshop; Carol Teiserowski, photographer; and Mrs. O.J. Bennett, textile Artist. Students visited the Detroit Art Institute in January, and in March a group of senior students worked on a group project in co-operation with Awes Studio of London.

It is hoped that such contacts with a variety of professional Artists will allow the Beal Art students to continue to participate in a vital educational program. Mrs. Tish Scott, who teaches Art History, has continued to convene interesting exhibitions in the Gallery-room 380. Another addition to the Art Staff is Mr. Bob Abuda, London painter, who is assisting in the drawing and painting area.

It is hoped that plans for the future will maintain for Beal Art its reputation as an important Art training facility.

The Graduate

The stair case you've mounted-
for so long seems to never end.

The time has come for you,
to move up another stair-

To prove to us just how,
you can accomplish this big step.

For the ones ahead-
are much larger

Graduating from a school where,
you know everyone and then walking out its doors-
to only return for brief visits.

This new step is steep.
There are many new faces and places,
for you to see.

Take each step individually-
and with care,
you'll get to the top in time.

CROSS-COUNTRY RUNNING - FALL 1977

Our senior boys' team are WOSSA champs this year. They narrowly missed first place at the London Conference final at the London Ski Club. The following week's WOSSA final on the same course was a different story, however, with individual champion Steve Connor cutting a full 40 seconds off the course time and the other team members also keeping the faster pace for a decisive win, with Pat Connor in 3rd place and John Vandertuin in 8th, supported by Matt Emery, Ralph and Albert Jennings.

The team went on to compete in an extremely rugged All-Ontario final in Mattawa, placing 8th out of the top 32 Ontario teams.

Beal's cross-country female division was represented by Debbie Jamieson, who for the third year in a row was one of the top London runners competing at WOSSA.

This fall was also marked by the emergence of a boys' midget team of seven members, all competing for the first time at Beal. We look forward to hearing more of these guys in the future.

Beal B Soccer Team

BACK ROW: Mr. Broderick, Rusty Owen, Joe Elfrath, Sam Farina, Luiciana Patibene, George Karygiannis, Mr. Dick.

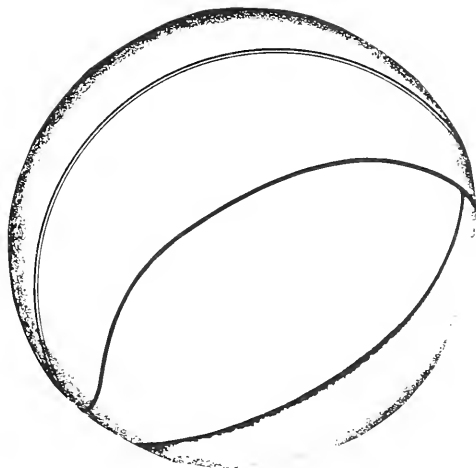

FRONT ROW: Tim McIntyre, Manuel Frada, John Soares, Bill Alexion, Victor Freitas, Dave Cooper.

Once again Beals' own "B" soccer team has regained the London High School Soccer Conference title for the 7th consecutive year. This group of lads put forth an excellent effort this year in that they lost no games and tied two. Considering the calibre of high school soccer this past season Beal should be pleased with the performance of this team.

In past years competition was never very fierce for Beals' "B" soccer team, however, times have changed, soccer is growing and the result is higher quality soccer.

Beal has a history of being a soccer school and I feel quite confident that this trend will continue.

IF YOU THINK TIMES HAVEZ'T

Remember when HIPPIE meant big in the hip?
And a TRIP involved travel in cars, planes and ships.
When POT was a vessel for cooking things in.
And HOOKED was what grandmother's rug may have been.

When FIX was a verb that meant mend or repair?
And BE-IN meant merely existing somewhere?
When NEAT meant well organized, tidy and clean.
And GRASS was a ground cover, normally green?

When GROOVY meant furrowed, with channels and hollows?
And BIRDS were winged creatures, like robins and swallows.
When FUZZ was a substance, real fluffy, like lint.
And BREAD came from bakeries, instead the mint.

When ROLL meant a bun, and ROCK was a stone.
And HANG UP was something you did with the phone?

IT'S GROOVY, MAN GROOVY, BUT ENGLISH IS NOT:
ME THINKS THAT OUR ENGLISH IS GOING TO POT!

'77 TRACK AND FIELD

CONFERENCE - Steve and Pat Connor ran away with the senior 3000 metre race with first and second. The twins also ran in the 1500 metres, where they ran second and third.

Gary Allison, Beals midget high jump star, won his event at the London conference meet.

W.O.S.S.A. - In the 3000 metre and 1500 metre event, on the U.W.O. all weather track, it was like conference all over again, with Steve winning the 3000 metre and Pat second. The 1500 metre event, later the same day saw the Connors switch positions, with Pat second and Steve third.

Gary Allison fought an extended 2 man duel in the midget W.O.S.S.A. high jump, ending in a tie. The tie was broken only by counting the total number of tries at all levels, which left Gary a second place because of one more try overall. Since only first place W.O.S.S.A. finishers were permitted to compete at O.F.S.A.A. Gary very narrowly missed this chance.

O.F.S.A.A. - This all Ontario track meet was held at Sudbury. Steve Connor represented Beal, running the senior 3000 metre race at 3 seconds off the previous Canadian record. In spite of this he placed fifth in this extremely fast, hotly contested event.

Debating Team

Mr. Ritchie, Mike Kortsen, Mr. Hooper

Beal has traditionally had a fine commercial and technical reputation. The success of the debating club this year causes one to wonder why the academic feats of our students aren't touted as loudly. Junior debater Denise Beeswax, in four competitions with junior and senior students, has proven that energy, drive, organization and an analytic mind can support effectively the work of any team. To date she has helped her team to victory in three of her four prepared and impromptu debates. Senior debater Mike Kortsen, in his second debating tournament ever, convinced all six judges that the resolution "everyone is above the law including law enforcers" is absolute nonsense. To demonstrate his argument, he crossed the floor of the house and said he would punch the Honorable Prime Minister on the nose. But as he stood before his opponent he claimed the debate was run by principles that-like laws-bound him morally and physically, and that he would not break them. In the subsequent debate he defended the resolution that evening, he defended the resolution that "man is dog's best friend." He suggested the statement was whimsical but true when one considers what the dog gets from man now that "he, she-or it, as the case may be" is domesticated. Mike walked away with top honours at that debate and is thereby automatically eligible to enter the Regional Finals in February. Should he place in the top nine of the forty entrants at that tournament he will proceed to the three day Provincial Finals at Kingston, Ontario. Success there would mean a week trip to the Canadian Finals to be held in Victoria, British Columbia in May.

This year has seen the come back to Beal's newspaper "THE WORD". The seven issues we got out this year were the results of the word staff's hard work and the help we had from the student body. Though we had a few problems we were able to overcome them and present to the students of Beal a good quality paper that we hope was enjoyed by all.

THE YEARBOOK

Here it is the end of the year
And school is almost through
We shall close our books once again
And read the Beal Review.

There's been basketball, football, soccer and more
But this isn't all our school's had in store
There's been dances, and Beal shows and social events
These things add up to a good year spent

Many a student will leave us this year
And face a new world with many a fear
They shall open new doors and close some of the old
But all these pages their memories will hold

Now as this school year draws to an end
We shall keep and forget many a friend
Many will go on their own separate ways
But will look back upon these most memorable days.

LORRAINE ELDER

I'VE LOST.... AGAIN

I met him.
I cared for him.
I learned to trust him.
I learned to love him.
I let him.
And now...
I've lost him.

A FORMATION

As I look up at-
the azure sky,
with its white fluffy clouds...
I wonder what-
the clouds are made of...
As the winds being to blow,
the clouds gently form;
a dog,
a bird...
and a face-
that's so familiar,
but it's only a formation.

LONELY FEELINGS
Feelings lonely-
as I do now.
Just thinking of you can-
make me smile.
Just remembering you can-
make me happy.

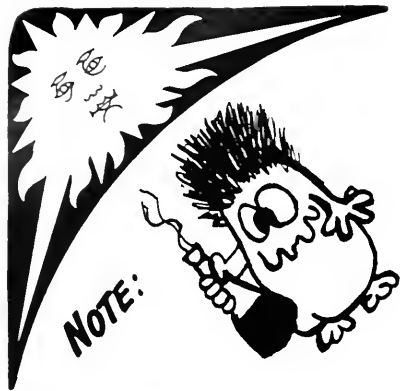

SLEEP SWEET
Sleep sweet within your quiet room.
And let no mournful thoughts in from yesterday.
Disturb not your peaceful heart.
Nor let tomorrow's dreams lie at rest.
Forget yourself and all the world,
and let the stars shine overhead.

I GO TO SLEEP
with you laying heavy on my mind.
I go to sleep with you-
close to my heart.
And in my dreams there is no sorrow.
I wonder when I awake-
if you'll be there tomorrow?
